Bachelor of Technology in Computer Science and Engineering
Bharat Institute of Engineering and Technology — Hyderabad, Telangana   AUG – 2024
GPA: 6.86

Intermediate (MPC)
Gayathri Junior kalasala — Hyderabad, Telangana   APR – 2020
PERCENTAGE: 83.7%

Xth
Kendriya Vidyalaya Sangatan — Hyderabad, Telangana   APR – 2017
GPA: 8.6

PROJECTS

Title: Android Accident Detection and Alarm System (Final Year Project)

Technologies Used: Java, JDBC, HTML, CSS, JavaScript, MySQL

Description:

- The objective is to overcome accidents by monitoring any change in the speed of the vehicle whereas the accelerometer can detect the fall.

- The Arduino is the major control unit to detect or alert when an accident occurs. It collects the data from the accelerometer, GPS, GSM modules and reflects the output. This will reach the rescue service in time and save lives.

Title: Personal Portfolio Website

Technologies Used: HTML5, CSS3, JavaScript

Description:

- Developed a personal portfolio site using HTML, CSS, and JavaScript to showcase projects and skills. Implemented responsive design techniques for optimal viewing on various devices.

Title: Weather App

Technologies Used: HTML, CSS, JavaScript, OpenWeather API

Description:

- Developed a weather forecasting web app using the OpenWeather API to retrieve and display weather data.
- Applied JavaScript to handle API requests and display real-time weather information like temperature, humidity, and wind speed.
- Designed a user-friendly UI with a clean layout using CSS3.

CERTIFICATIONS

- HTML5&CSS3 Complete Course Certification by Udemy
- Certification of SQL Basics by Udemy
- React Basics Certification by Udemy

DECLARATION

I hereby declare that the given information here is correct to my knowledge and I will responsible for any discrepancy.

Got it! Here's a personalized message tailored for a fresher (someone just starting out in their career) that you can send to a recruiter team:

Subject: Enthusiastic Fresh Graduate Interested in Full Stack Development –

Dear Recruiter,

I hope you're doing well. My name is D .Uday Kiran, and I recently graduated with a degree in Computer Science and Engineering from .Bharat Institute of Engineering and Technology, Hyderabad. I am reaching out to express my genuine interest in the Full Stack Developer Intern position at Rapid Care.

I'm excited to apply my academic knowledge in a professional setting and contribute to your team's success.

I have attached my resume for your review and would be thrilled to discuss how my skills and fresh perspective can contribute to the continued success of your team. Thank you for considering my application. I look forward to the possibility of connecting with you soon.

Best regards,
Dolu Uday Kiran
